

“Their durability was unsurpassed. In fact they made their competitors’ mounting systems feel downright flimsy. We will be using T.R.A.-MAGE mounting systems exclusively for all our future projects.”

Betsy Delozier
Owner and Master Electrician
Big D Electric

When it comes right down to it, a solar system is only as good as its mounting structure. That’s why when you need the highest quality roof mounting accessories and fastening systems, you turn to T.R.A.-MAGE.

Built to last. Built to be reliable. Each and every component in our MAGE SUNFIXINGS LINE creates a perfect foundation for your solar solution.

**ENGINEERED FOR EASY USE.
MANUFACTURED TO LAST.**

T.R.A.-MAGE has been in the roofing industry for 35 years, so we know a thing or two about roofs. Our mounting solutions create a perfect foundation for your solar installation.

QUALITY AND SERVICE

Our solar mounting solutions are designed and engineered to be stronger, install faster and span more distance between supports than other mounting solutions.

TRIED AND TESTED IN THE AUSTRIAN ALPS

For over 16 years the SUNFIXINGS line of solar mounting products has been tried and tested by roofers, electricians and integrators in Europe.

EXPERIENCE YOU CAN TRUST

TRA Snow Brackets and MAGE Industries joined forces in 2004 to become T.R.A.-MAGE. As a member of the MAGE GROUP, T.R.A.-MAGE joins a worldwide network of product sites, subsidiaries, and representative offices. The MAGE GROUP is actually operating in 17 countries. Because we are a worldwide company with a far-reaching network of production and development companies; you can trust that T.R.A.-MAGE's SUNFIXINGS line subscribes to strict USA quality standards, while also being easy-to-use for both commercial and residential installations.
